

DEADLINE FOR ENTRY IS MONDAY, APRIL 27TH, 2026

WHITE FIELDS

LEGACY CLAY CLASSIC

Presented by **MACH**
NATURAL RESOURCES

For nearly two decades, the White Fields campus has served as a safe and healing haven for some of our state's most desperate children and, more recently, their mothers. In 2023, White Fields embarked on a thorough search for a partner to not only continue the legacy but expand the scope and impact of how the 140-acre campus could be leveraged to bring about hope, peace, and genuine life change that would influence generations. HopeHouse OKC became the obvious choice for doing just that.

HopeHouse OKC's mission is to break the generational cycles of poverty and homelessness by providing not only safe housing but a true foundation for lasting change, through a suite of comprehensive programs. HopeHouse empowers every mother and child with the resources, guidance, and unwavering support needed to heal, grow, and achieve self-sufficiency. Here, every family is given the dignity and opportunity to craft a new, hope-filled chapter for their lives.

The White Fields campus is once again shining as a peaceful community for mothers and children with no place to call home. HopeHouse OKC at White Fields is a safe haven for families to rest, heal, and rebuild their lives. Lives that were once riddled with abuse, neglect, addiction, and trauma will become futures filled with hope.
