5/20/26	9TH ANNUAL SHALE WATER SHOW 2026		Houston, Texas, USA Houston, Texas, USA
	<p>Welcome to the Shale Water Show 2026, the leading event uniting shale operators, suppliers, and regulators to explore cost-effective solutions for water sourcing, treatment, disposal, and storage, specifically for North America's shale industry. The industry faces increasing challenges in reducing operational expenses as operators manage the high costs of produced water while balancing disposal and reuse. With water hauling accounting for up to 70% of total costs, efficient solutions are vital as hydraulic fracturing water demand continues to rise. Join us to gain valuable insights, explore innovative water recycling and storage methods, and engage in discussions that advance sustainability in shale water management.</p>
