4/11/26	WEN Permian Basin: Spin, Sip & Socialize at CycleBar with WEN		CycleBar 3415 N Loop 250 W #502 Midland, TX 79707

Date	Event	Type	Location
------	-------	------	----------

Join Women's Energy Network Permian Basin for a fun and energizing morning at CycleBar. This special pop-up ride brings our community together in a relaxed and welcoming setting where members and their guests can move, connect, and spend time together outside the office. CycleBar is partnering with us to host this complimentary ride, and the class is open to all fitness levels, including first-time riders. The instructors guide the experience step by step, so whether you ride often or have never tried a spin class before, you will feel comfortable jumping in. There is a strong connection between movement and leadership. Research from the EY Women Athletes Business Network found that 94 percent of women in C-suite leadership roles played sports at some point in their lives. Prioritizing health, discipline, and community often carries into professional success, and this event celebrates that spirit. After the ride, stay and connect with other women across oil, gas, renewables, and electricity. Childcare will be available, and a bar will be open afterward so everyone can relax, socialize, and continue the conversation. Bring a friend, meet new faces, and start your Saturday with a great workout and even better company. Spots are limited, so be sure to reserve your place early. Please register through the WEN Permian Basin website. After registration, you will receive instructions to complete the required CycleBar waivers, which must be signed before the event.

4/16/26	Rocky Mountain Elk Foundation Permian Basin Banquet	Banquet	Bush Convention Center 105 North Main Street, Midland, TX 79701
---------	-----------------------------------------------------	---------	-----------------------------------------------------------------------

While RMEF's roots are in elk country, our mission goes much further. From moose and mule deer to whitetail and wild turkey, our conservation efforts enhance landscapes that sustain all big game species and our hunting heritage. At RMEF, we're not just conserving what's here today—we're creating what's possible for tomorrow. That means more access, healthier habitats, and a stronger future for all big game. Whether we see you at the banquet or welcome you as a member, your support is vital to the future of elk and big game.

5/7/26	Permian Basin API Golf Tournament	Golf Tournament	Hogan Park Hogan Park Golf Course 3600 North Fairgrounds Road Midland, TX 79705
2026 Permian Basin API Sour Crude Scholarship Invitational We are excited to announce the 2026 Permian Basin API Chapter Sour Crude Scholarship Invitational, returning to Hogan Park Golf Course on Thursday May 7, 2026! The golf course is conducting major renovations for the next two years and only the Roadrunner is available for us to play this year. Along with the course upgrades they have changed our tournament schedule, so this is a one-day tournament with three 9-hole rounds (9 holes only per team with 8:00 am, 11:30 am, & 3:00 pm tee times) for a couple of years. We ask that you please bear with us so that we can support the API scholarship program! This tournament has continued to grow and evolve, currently providing vital scholarships for over 40 deserving students. We sincerely need your patience and support as we work through the next couple of years just as you have for many years in the past. We want to ensure everyone has a chance to be represented at one of the region's premier golf events. If your company has never participated, we would love to have you join us!
