| 2/8/27 | Produced Water Society Annual Conference Houston | Conference | Sugarland Marriott |
| | For nearly four decades, the Annual Produced Water Society Conference has served as the industry's central gathering point for advancing produced water management. The 37th Annual Conference will once again bring together experts from around the world to address the evolving challenges shaping water in energy production. As the Society's flagship event, this conference sets the tone for the year ahead. Through technical sessions, executive dialogue, case studies, and cross-sector exchange, attendees explore what is working, what is changing, and what comes next. | | |
