10/4/26	White Fields Legacy Invitational	Golf Tournament	Dinner and gala on Sunday, October 4, 2026: The National Cowboy & Western Heritage 1700 NE 63rd St, Oklahoma City, OK 73111. Golf Day 1: Oak Tree Country Club. Golf Day 2: Oak Tree National.
For nearly two decades, the White Fields campus has served as a safe and healing haven for some of our state’s most desperate children and, more recently, their mothers. Since regaining control of the 140-acre campus in June of 2023, White Fields embarked on a thorough search for a partner to not only continue the legacy but expand the scope and impact of how the property could be leveraged to bring about hope, peace, and genuine life change that would influence generations. HopeHouse OKC became the obvious choice for doing just that. The mission at HopeHouse OKC is to break the cycles of poverty and homelessness by providing safe housing and support to some of the most vulnerable families in our community. Through multiple comprehensive programs, HopeHouse equips every mother and child with the tools to heal and navigate a healthy, self-sufficient life. Every family gets the opportunity to rewrite their story. The White Fields campus will once again shine as a peaceful community for mothers and children with no place to call home. HopeHouse OKC at White Fields will be a place set apart for families to rest, heal, and rebuild their lives. Lives that were once riddled with abuse, neglect, addiction, and trauma will become futures filled with hope.
